The 77th FIP World Congress of Pharmacy and Pharmaceutical Sciences

Seoul, Republic of Korea – 10 – 14 September 2017,

Coex Convention & Exhibition Center

The 2017 FIP congress in Seoul, South Korea, invites an international audience of pharmacy professionals and pharmaceutical scientists to go beyond medicines and answer patients' demand for high quality help and advice. At this year's congress, the professional symposia will explore the many new ways that pharmacy professionals can add the value expected by modern health care systems and services. Sessions will show that tradition and dedication to patients' health – the true soul of pharmacy – can be coupled with innovation in technology, education and practice to deliver care for the 21st century.

The Congress theme is “Medicines and beyond! The soul of pharmacy”.

There are five congress symposia topics:

- Nurturing the soul of pharmacy,
- Precision pharmacotherapy,
- Pharmacy services: Going beyond prescription,
- Smart pharmacy,
- Targeting special interests.
