THE 43rd INTERNATIONAL CONGRESS FOR THE HISTORY OF PHARMACY WARSAW, 12-15 SEPTEMBER, 2017

The international audience of pharmacy professionals and academics is invited to the 43rd International Congress for the History of Pharmacy in Warsaw. For the organising committee, it will be a great honour to host the historians of pharmacy from all over the world, in this particular year for the Polish pharmacists. In 2017 it is celebrated the bicentenary of the publication of the first Polish Pharmacopoeia, *Pharmacopoea Regni Poloniae*, published in 1817, as well as 70 years of the Polish Pharmaceutical Society whose tradition stems from the Warsaw Pharmaceutical Society founded in 1872.

Referring to these anniversaries, the Warsaw Congress has topics as: herbals, *antidotaria*, dispensaries, pharmacopoeias and also the history of pharmaceutical organizations.

7th BBBB International Conference On Pharmaceutical Sciences

The 7th BBBB International Conference On Pharmaceutical Sciences will be held on October 5-7, 2017, in Balatonfüred, Hungary.

It gathers members of the organizations and colleagues from neighbouring countries and much wider, serving as a strong and stable forum for the permanent dialogue between scientists in all fields of pharmaceutical sciences, drug research and development, manufacturing and usage. Participants will present their results, discuss new developments and future directions of the pharmaceutical sciences, also offering a good opportunity for young pharmaceutical scientists to get in contact with future employers, stimulating initiatives for common research projects, and arriving at new approaches and projects for accelerated development and introduction of safer and better medicines.

Abstract submission and registration links are up running on the conference website at <http://7thbbbb.com>
