

Conflict of Interest Disclosure Form

Farmacia aims to provide accurate data regarding the potential conflicts of interest of the publish manuscripts. The authors have to disclose any potential conflicts of interest that may have a direct connection to the manuscript content.

Examples of potential conflicts of interests that are directly or indirectly related to the research may include but are not limited to the following:

- Research grants from funding agencies (please give the research funder and the grant number)
- Honoraria for speaking at symposia
- Financial support for attending symposia
- Financial support for educational programs
- Employment or consultation
- Support from a project sponsor
- Multiple affiliations
- Position on advisory board or board of directors or other type of management relationships
- Financial relationships, for example equity ownership or investment interest
- Intellectual property rights (e.g. patents, copyrights and royalties from such rights)
- Holdings of spouse and/or children that may have financial interest in the work

The document must be completed and signed by all authors
